Grappe d'Eccellenza

First Metropolis Corp Group

Born in 1918 in the hearth of Casale Monferrato, Magnoberta Distillery focused its production on the Grappa, the typical distilled product of Monferrato.Tons of marc arrive every autumn directly from the surrounding hills, to be placed into six copper stills.

The Grappa which ensues is refined in durmast barriques. In 2018 Magnoberta reached 100 years of activity: a book about its story, the new logo and the restyling of the headquarter are the hearth of the celebrations for this important achievement, supported by the Bibenda Premium, won for the 4th consecutive year by the Grappa Morbida Magnoberta, which has been rewarded with the label ***"Cinque Grappoli"*** by the Italian Foundation of Somelliers and included into the Bibenda Guide 2018.

GRAPPA ANNIVERSARIO 918

GRAPPA STRAVECCHIA
DEL PIEMONTE

Nel 2008 abbiamo inserito una selezionata partita di Grappa del Piemonte in una pregiata botte di rovere di slavonia e abbiamo atteso dieci anni che il distillato raggiungesse una delicatezza ed un equilibrio impareggiabili. Dal colore giallo ambra intenso e limpido, all'olfatto rivela aromi vivaci di prugne secche, miele e albicocche. Al palato risulta calda e vellutata con sentori di vaniglia, frutta secca e uva passa. Retrogusto persistente e armonioso con ricordi di miele e uva passa.

PATRIMONIO Grappa DEL MONFERRATO

The core of this Grappa is made
of the three noble varieties of grapes, hearth
of the Monferrato wine making tradition:
Barbera, Grignolino and Freisa.
The Grappa gets older and for 20 years mitigates
its flavour in small barrels of Slavonia's durmast.
With a yellow amber colour, it breathes out a rich
and pleasant sensorial mix of cinnamon, saffron,
black pepper, tobacco and a far note of peat.

In 2008, for the 90th Anniversary of the company, a range of products has been created to cover the following ten years, grouped under the name "Historia". It's about selected Grappa representing every the best production of Grappa every year, aged in barrels in the warehouse of Magnoberta. Grappa is a distillate "for meditation". Which is the moment of the day more suitable for reflection than sunset? Therefore the common denominator of this edition is the collection of labels made by several local artists - or artists who choose Monferrato for living - who have been asked to give their interpretation of the theme sunset on the hills.

GRAPPA STRAVECCHIA

INVECCHIATA 4 ANNI

Grappa distillated from Barbera, Grignolino, Dolcetto
and Malvasia, typical wines of our Monferrato.
The characteristic amber-gold colour
distinguishesthis full-bodied and aromatic Grappa.
An important distillated, fine as well as elegant
and unique, expressing intense aroma
of hazelnut, vanilla, dry plum and chocolate.
The taste, initially angular, rounds up at the end giving
a soft and silky perception. The evolutionary note given
by the woodwithits typical descriptors: vanilla, coffee,
leather and toasted hazelnut, is definitely important.

Grappa Stravecchia

4 anni

4 YEARS

Light amber yellow, limpid and crystalline, this Grappa expresses an intense aroma of hazelnut, licorice, vanilla, dry plum, black cherry and chocolate. The taste has a pleasant smoothness and a well-balanced sweet note. The end is persistent with memories of licorice, hazelnut and plum. This Grappa matures 4 years in big barrels of durmast and is produced through discontinuous distillation at a very low steam pressure.

Grappa di Barolo

INVECCHIATA 18 MESI IN BOTTE DI ROVERE

18 mesi

18 MONTHS

Strong amber yellow, this Grappa has a rich and strong perfume with hint of toasted vanilla. A warm Grappa, of notable body and full character, whose intense and strong taste is softened from wide and aromatic bouquet. Above all some notes of raspberry and other small red fruits stick out.
